

## Quality Statement

Lemar is a renowned fabric manufacturer that focuses on quality to successfully face the continuous challenges of the market.

Our fabrics and services are manufactured to the highest quality standards in accordance with legal and other technical requirements.

Lemar's employees are committed to the Quality Policy, guided by the following principles:

### **Customer Focus**

We strive to provide our customers and stakeholders with fabrics and services which meet and even exceed their expectations.

### **Engagement of People**

We value the contribution of each employee and encourage their participation and engagement throughout the organization. This is essential to maintain our high-quality standards.

### **Suppliers and Partners**

Suppliers and partners are an integral part of the quality process and the company's staff will work closely with them to meet customer's needs.

### **Process Approach**

Promote the efficiency of organizational and production processes, the commitment to creativity and innovation through continuous investments in technology and the development of products with a low environmental impact.

### **Continuous Improvement**

We are committed to continuous improvement and have established a Quality Management System which provides a framework for continuously measuring and improving quality performance.
